

### Programs and Projects

- Covina is a member of the [San Gabriel Energy Wise Partnership](#) .
- The City of Covina is the recipient of an [Energy Efficiency and Conservation Block Grant](#) .
- Residents and businesses in Covina are serviced by [Southern California Edison](#) .
- [EnergyUpgrade California](#) - This program helps Los Angeles County homeowners make upgrades to reduce energy use, conserve resources and create more comfortable and efficient homes by providing financial incentives of up to \$8,000. Plus, 2% financing is now available! Contact Environmental Services at 626-384-5480 or at City Hall for additional information.
- Are you considering the purchase of a plug-in Electric Vehicle? Click [www.sce.com/ev](http://www.sce.com/ev) to learn more .
- [Weatherization Program for low-income residents](#) . SCE pays all the costs of purchasing and installing energy-efficient appliances and equipment for qualified residents.
- **Want more financial incentives to be green?** visit the [Database of State Incentives for Renewables and Efficiency](#)

### Energy Efficiency and Conservation Resources

#### **Green Apps**

There are thousands of different apps on the market for Droids and iPhones to help make our lives simpler; but there are also tons of great apps out there that can not only help you but also the world we live in. Downloading apps that could help save the environment just got easier! Here are a few green apps to download:

Visit [ecosalon](#) for 6 apps to help you go green everyday! Check out [Cleantechies](#) for 4 more great environmental apps
